RE: MURs 5403 5466  
DNC Services Corporation/  
Democratic National Committee  
and Andrew Tobias, in his official  
capacity as treasurer

Dear Mr. Sandler:

On December 22, 2004, you were notified that the Federal Election Commission found reason to believe that your clients violated 2 U.S.C. §§ 441a(f) and 434. After considering the circumstances of the matter, the Commission determined

on March 6, 2007, the Commission found that there is no reason to believe the DNC Services Corporation/Democratic National Committee and Andrew Tobias, in his official capacity as treasurer, violated the Act with respect to allegations that it received excessive in-kind contributions from America Coming Together in the form of coordinated expenditures. The Commission considered these allegations in the context of MURs 5403 and 5466 because on May 25, 2006, the Commission severed the portion concerning these issues and merged them into MURs 5403 and 5466. Accordingly, the Commission closed its file in MURs 5403 and 5466 as it pertains to the DNC Services Corporation/Democratic National Committee and Andrew Tobias, in his official capacity as treasurer.

You are advised that the confidentiality provisions of 2 U.S.C. § 437g(a)(12)(A) remain in effect, and that this matter is still open with respect to other respondents. The Commission will notify you when the entire file has been closed.
